DAMAR®

LIGHTING THE WORLD

- No minimum order. Same day shipping.
- Our company was built on customer service. We guarantee fast and friendly service because we employ some of the most knowledgeable lighting specialists in the business.
- More and more Distributors, OEM's, and exporters rely on **DAMAR**
- Upon request, **DAMAR** will send you a shipment notification via e-mail when your order is shipped.
- Order on-line or contact our friendly customer service staff.

In February, 2003 **DAMAR** moved into a new 385,000 square foot distribution center in Aurora, MO to better serve our customers.

- Blind ship any order showing you as the shipper.

- The largest and widest selection of lighting products available in the United States. **NO ONE CAN BEAT OUR IN STOCK INVENTORY.**

- For orders of \$1,000 or more freight is prepaid to anywhere in the continental USA.

Based on your location we may have lower UPS prepaid amounts.

- We offer custom lamp painting and **SHATTER RESISTANT SAFE-SHIELD®** bulbs.

- We at **DAMAR** are very interested in your business. Let us know if you have any additional questions.

DAMAR Worldwide began selling our own brand of light bulbs and lighting supplies to distributors and manufacturers nationwide in 1981. **DAMAR** is proud to offer top quality products at discounted prices and our extensive inventory surpasses all our competitors.

Please visit our website at www.damarww.com for pictures or specifications of our products.

WE ARE THE BEST IN THE INDUSTRY.

LIGHTING THE WORLD

All customers please read, as by placing an order you signify that you have read and understand these terms and conditions of sale. If you do not understand please contact us for clarification on any misunderstood item.

TERMS AND CONDITIONS OF SALE:

General: Pricing is in effect at the time of shipment. Prices are subject to change without notice. Seller reserves right to alter or amend these terms and conditions at its sole and absolute discretion by giving notice of same to Buyer.

Terms: Cash, Credit Card-Visa, M/C, Discover, and American Express. Note: If you desire Payment terms please fill out our Credit Application which you can download.

Net 30 days. Shipments will be held on any balance over 45 days. Interest at the maximum legal rate will be charged on past-due accounts. Customer agrees to pay all cost of collection, including court costs and attorney's fees.

Special Orders: Payment in full or part may be required for any special order before it is ordered or produced.

Cancellations: Special order items are not cancellable.

Returns: Merchandise cannot be returned without written consent. Request for permission to return must be made within 30 days after receipt of shipment. All merchandise returned without authorization will be refused. All merchandise returned is subject to a 25% restocking charge, plus any freight charges incurred. Only full unopened cartons can be considered for return. No returns will be allowed on any special order items. Note: Contact your Sales Representative for your returned goods authorization that must accompany your returns.

Warranty: All products purchased are warranted to be free of defect in material and workmanship in normal use. Products should only be used in appropriate equipment designed with those products and constructed for use with such products. Improper or abnormal use or use in defective equipment voids all warranty. In the case of defective material or workmanship, we will, at our sole option, repair or replace. **THE WARRANTY AND REMEDY SET FORTH HEREIN ARE EXCLUSIVE AND ARE IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE AND EXCLUDE ANY OTHER WARRANTY OR REMEDIES.** Seller neither assumes nor authorizes any other person to assume for it any other obligation or liability or to grant any additional warranty. Buyer shall not be entitled to recover from seller any consequential damage, damages to property, damage for loss of use, loss of time, loss of profits or income or any other incidental damages.

Customer Satisfaction: All our lamps are produced in numerous plants throughout the U.S. and the world. Our lamps are manufactured with the highest quality of materials and stringent workmanship. Some lamps are manufactured for certain requirements, which may effect the performance on other applications. Due to improvements and alterations for quality and other conditions beyond our control, current ratings may vary from previously published material. All sales are made for customer's satisfaction subject to our return policy. If a particular use is contemplated by a purchaser, we suggest that a sample be ordered for inspection and approval.

Regarding The Purchase Of All Lighting Fixtures: For your particular lighting application please consult with a licensed electrician or architect before purchase to determine the proper lighting fixture and lamp, which meets the required specifications for your application.

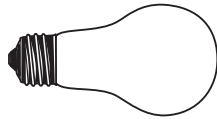

Shipment: We reserve the right to use our own discretion, as to which carrier to be used on any freight allowed shipment. Shipment will be made in any manner requested by the customer, if the customer will assume any additional transportation cost. Freight will be prepaid to any destination in the continental

Reproduction of this catalog is prohibited. **DAMAR** believes this information shown in the catalog is accurate and true and may be changed or updated to improve our products without prior notice. The publisher will not accept any liability for any consequences of its use. This catalog is subject to errors and omissions.

The data and suggested applications contained in this catalog, as well as any additional information our representative may be able to furnish, are for general information only and are not intended and should not be taken as representations or warranties as to the suitability of a lamp or ballast for any particular application or use in any particular equipment, nor are our representatives authorized to make any such warranties. Applications and conditions of use are many and varied, and beyond our control. We cannot possibly have the same degree of knowledge that the purchaser has with respect to the design of his equipment and the conditions of its use. Therefore, it is up to the purchaser to make his own determination as to the suitability of a lamp or ballast for his intended application or use and to assume the responsibility for that determination.
