

WARNING

- To reduce the risk of death, personal injury, property damage from fire, electric shock, falling parts, cuts/abrasions, and other hazards read all warnings and instructions included with and on the lamp box and all lamp labels.
- Before installing, servicing, or performing routine maintenance upon the equipment, follow these general precautions.
- If you are unsure about the installation or maintenance of the luminaires, consult a qualified electrician.
- Turn off the power when you perform any maintenance.
- Verify that supply voltage is correct by comparing it with the luminaire label information.

INSTALLATION

1. Turn off Power Source.
2. Remove the CFL, MHL, or HPS.
3. Install the LED lamp.
 - See figures (1) (2) (3)
4. Turn on the power switch.
