

Specifications

Item: 36200B

Model: LED9.5W/PLC/DM/3CCT/4P G24Q

Watts: 9.5

Volts: 120-277VAC 50/60Hz

Base Type: G24Q

Shape: PLC

Avg. Kelvin: Selectable 3K/4K/5K

CRI: ≥ 80

Beam Spread: 360°

Avg. Initial Lumens: 1,250/1,400/1,400

Avg. Life Hours: 50,000

Length: 6.88" / 174.75mm

Diameter: 1.32" / 33.53mm

Ambient Operating Temp: -13°F to 113°F (-25°C to 45°C)

Location Rating: Suitable for dry or damp locations

Suitable for use in enclosed luminaires

Type A+B Dual Mode

Suitable for use with compatible electronic and magnetic ballasts directly or 120-277VAC in bypass.

Direct replacement for 26W/8T4/Q/G24Q-3 Lamps Only

This device is not intended for use with emergency exits or emergency lighting

Only dimmable by 0-10V electronic ballasts

NOTE: To prevent damage, the lamp must NOT be energized when the color (CCT) selector switch is changed
